

## Call for Papers

We would like to invite you to contribute to *Historical Biology*.

*Historical Biology* provides a vehicle for developments in the sciences concerned with the history of life through geological time and the biology of past organisms, and seeks to encourage a diversity of approaches in this rapidly expanding field. It emphasizes modern and controversial topics. Its range includes paleobiology, paleoethology, paleobiogeography, evolutionary processes and patterns, molecular paleontology, extinction, phenomena, taphonomy, and aspects of geology, geochemistry and geophysics that have a direct bearing on paleobiological questions.

For further details on how to submit a paper, please visit:

[www.tandf.co.uk/journals/authors/ghbiauth.asp](http://www.tandf.co.uk/journals/authors/ghbiauth.asp)

Please submit a 200-word abstract of your paper by e-mail as soon as possible. Completed papers (three copies) should be sent to the Editor, Gareth Dyke at the following address:

Gareth Dyke, Department of Zoology, University College Dublin, Belfield Dublin 4, Ireland

Rejected manuscripts will not normally be returned.
