Taylor & Francis Group Journals Licence

THIS LICENCE IS AGREED on the ____ day of ____ 2012.

BETWEEN

1. Informa UK Limited (registered in England; no 1072954) (trading as Taylor & Francis) whose principal place of business is at 4 Park Square, Milton Park, Abingdon, Oxfordshire, OX14 4RN, UK and its successors in business and assigns (“The Publisher”) and
2. _____ (“the Licensee”).

1. KEY DEFINITIONS

1.1 In this License, the following terms shall have the following meanings: -

Agent A third party appointed from time to time by the Licensee to act on the Licensee’s behalf, who may undertake any or all of the obligations of the Licensee under this Licence, as agreed between the Licensee and the Agent.

Authorised Users Current members of the faculty and other staff of the Licensee (whether on a permanent, temporary, contractor visiting basis) and individuals who are currently studying at the Licensee’s institution, who are permitted to access the Secure Network from within the Library Premises or from such other places where Authorised Users work or study (including but not limited to Authorised Users’ offices and homes, halls of residence and student dormitories) and who have been issued by the Licensee with a password or other currently valid authentication together with other persons who are permitted to use the Licensee’s library or information service and access the Secure Network but only from computer terminals within the Library Premises.

Commercial Use Use for the purposes of monetary reward (whether by or for the Licensee or an Authorised User) by means of sale, resale, loan, transfer, hire or other form of exploitation of the Licensed Materials. For the avoidance of doubt, neither recovery of direct costs by the Licensee from Authorised Users, nor use by the Licensee or by an Authorised User of the Licensed Materials in the course of research funded by a

commercial organisation, is deemed to be Commercial Use.

- Core Subscriptions** That part of the Licensed Materials for which the Full Subscription Rate was paid.
- Course Packs** A collection or compilation of materials (e.g. book chapters, journal articles) assembled by members of staff of the Licensee for use by students in a class for the purposes of instruction.
- Electronic Reserve** Electronic copies of materials (e.g. book chapters, journal articles) assembled by members of staff of the Licensee for use by students in a class for the purposes of instruction.
- Fee** The Fees, which may be agreed by the Licensee and/or Agent and Publisher and/or Publishers' Representative from time to time and set out in any relevant order form or other sales documentation.
- Full Subscription Rate** the full list price of any content supplied as part of the Licensed Materials as specified by the Publisher from time to time without any discount, rebate or other deduction of any kind.
- Intellectual Property Rights** means patents, trademarks, trade names, design rights, copyright (including rights in computer software and moral rights), database rights, rights in know-how and other intellectual property rights, in each case whether registered or unregistered and including applications for the grant of any of the foregoing and all rights or forms of protection having equivalent or similar effect to any of the foregoing which may subsist anywhere in the world.
- Institutional Repository** A digital collection of an institution's research and intellectual output.
- Library Premises** The physical premises of the library or libraries operated by the Licensee at a single site. A single site is a single contiguous geographic region from within which the library's/Licensee's "Authorised Users" and public visitors can access the Licensed Materials over a secure network. A typical single site would have a single billing address for all subscription purchases and all physical locations accessing the licensed materials would be located on the same physical campus.

If the library/Licensee maintains or provides service to users that are outside one single geographical contiguous location, or multiple departments that operate independently of the parent institution, then the library/Licensee may need to obtain a multi-site or consortium licence.

- Online Services** means the electronic / digital delivery method or platform used by Publisher from time to time for delivering the Licensed Materials that is located on the Server
- Publisher's Representative** A third party appointed from time to time by the Publisher to act on the Publisher's behalf, who may execute this Licence on behalf of the Publisher and undertake any or all of the Publisher's obligations under this Licence, as agreed between the Publisher and the Publisher's Representative.
- Licensed Materials** The materials comprising either or both of Core Subscriptions and Non Core Subscriptions as ordered from time to time by Licensee from the Publisher or Publisher's Representative and as more particularly set out in any relevant order form or other sales documentation.
- Non Core Subscriptions** Those materials forming part of the Licensed Materials that are not Core Subscriptions
- Secure Network** A network (whether a standalone network or a virtual network within the Internet) which is only accessible to Authorised Users approved by the Licensee whose identity is authenticated at the time of log-in, and periodically thereafter consistent with current best practice, and whose conduct is subject to regulation by the Licence.
- Server** The server, either the Publisher's server or a third party server designated by the Publisher, on which the Licensed materials are mounted and may be accessed.
- Subscription Period** That period nominally covered by the volumes and issues of the Licensed Material regardless of the actual date of publication and specified in the order form or other relevant sales documentation.

2. AGREEMENT

- 2.1 The Publisher agrees to grant to the Licensee the non-exclusive and non-transferable right, throughout the world, for the purposes of research, teaching

and private study and subject always to the terms and conditions of this Licence, to give Authorised Users, (i) access to the Online Services and the Non-Core Subscriptions for the Subscription Period, and (ii) permission to use the Core Subscriptions as additionally specified in clause 7.4 and the Licensee agrees to pay the Fee.

- 2.2 This Licence shall commence at the beginning of the Subscription Period and subject to any earlier termination in accordance with clause 12 of this agreement, the Licensee's right to access the Licensed Materials shall automatically terminate at the end of the Subscription Period, unless the parties have previously agreed to renew it.

- 3.3. Nothing in this Licence shall in any way exclude, modify or affect any of the Licensee's rights under the Copyright Designs and Patents Act 1988 or any statutory instruments made thereunder or any amending legislation.

4. SUPPLY OF COPIES TO OTHER LIBRARIES

- 4.1 The Licensee may, subject to Clause 6 below, fulfil occasional requests to supply to an Authorised User of another library by post or fax, or by secure

transmission using Ariel software, or similar, provided the electronic file is deleted immediately after printing, for the purposes of research or private study and not for Commercial Use, a single paper copy of an electronic original of an individual document being part of the Licensed Materials.

- 4.2 Notwithstanding the provisions of Clauses 3.1 and 3.3, it is understood and agreed that neither the Licensee nor Authorised Users may provide, by electronic means, (excluding fax or secure transmission as specified in Clause 4.1), to a user at another library a copy of any part of the Licensed Materials for research or private study or otherwise.

5. COURSE PACKS AND ELECTRONIC RESERVE

 - 6.2.3 publish, distribute or make available the Licensed Materials, works based on the Licensed Materials or works which combine them with any other material, other than as permitted in this Licence;

6.2.4. alter, abridge, adapt or modify the Licensed Materials to Authorised users. For the avoidance of doubt, no alteration of the words or their order is permitted.

7. PUBLISHER'S UNDERTAKINGS

7.1 The publisher warrants to the Licensee that the Licensed Materials used as contemplated by this Licence do not infringe the copyright or any other proprietary or intellectual property rights of any person. The Publisher shall indemnify and hold the Licensee harmless from and against any loss, damage, costs, liability and expenses (including reasonable legal and professional fees) arising out of any legal action taken against the Licensee claiming actual or alleged infringement of such rights. This indemnity shall survive the termination of this Licence for any reason. This indemnity shall not apply if the Licensee has amended the Licensed Materials in any way not permitted by this Licence.

7.2 The Publisher Shall:

7.2.1. make the Licensed Materials available to the Licensee via the Online Services during the Subscription Period. The Publisher will notify the Licensee at least sixty (60) days in advanced of any anticipated specification change applicable to the Licensed Materials. If the changes render the Licensed Materials less useful in a material respect to the Licensee, the Licensee may within thirty days of such notice treat such changes as a breach of this Licence under clause 12.1.1 and 12.4;

7.2.2 use reasonable endeavours to make the Licensed Materials available to the Licensee and the Authorised Users at all times and on a twenty-four hour basis, save for maintenance (which shall be notified to the Licensee in advance wherever possible), and to restore access to the Licensed Materials as soon as possible in the event of an interruption or suspension of the service.

7.3 The publisher reserves the right at any time to withdraw from the Licensed Materials any item, or part of an item, for which it no longer retains the right to publish, or which it has reasonable grounds to believe infringes copyright or is defamatory, obscene, unlawful or otherwise objectionable. The Publisher shall give written notice to the Licensee of such withdrawal. If the withdrawal results in the Licensed Materials being no longer materially useful to the Licensee, the Licensee may, within thirty days of such notice, treat such changes as a breach of this Licence under clause 12.1.1 and 12.4.

7.4 Where a subscription to any Core Subscription expires or is otherwise terminated otherwise than as a result of a breach of this Agreement by the Licensee (in either case, a "Cancelled Core Subscription") then the Publisher shall for the purposes of the long term preservation of the materials forming part of any Core Subscription either (at its sole option and at any time):

- 7.4.1 continue to provide access to the content within the Cancelled Core Subscription that was published during the period of the Cancelled Core Subscription ("Backfiles") either via the Online Services or by way of the online services of a third party provider; or
- 7.4.2 provide or arrange for a third party to provide the Licensee with a copy of the Backfiles in such digital or electronic format as Publisher or such third party sees fit

subject always to the right of the Publisher to withdraw from the Licensee any such access to any such Backfiles in the event that for any reason the Publisher ceases to have the right to grant such access, [and subject further to the right of the Publisher or any relevant third party provider to require the Licensee to bear any charges reasonably incurred by the Publisher or such third party in continuing to provide such access]. The Licensee must ensure it and any Authorised User continues to comply at all times with the permitted use and restrictions set out herein. For the avoidance of doubt the Publisher shall have no obligation to provide an electronic copy or maintain the Online Services in relation (i) to any Non Core Subscriptions or (ii) to any Licensed Materials where the subscription has been terminated as a result of the Licensee's breach of this Agreement.

- 7.5 Except as expressly provided in this Licence, the Publisher makes no representations or warranties of any kind, express or implied, including but not limited to, warranties of design, accuracy of the information contained in the Licensed Materials, merchantability or fitness of use for a particular purpose. The Licensed Materials are supplied 'as is'.
- 7.6 Except as provided in clause 7.1, under no circumstances shall the Publisher (or the Publisher's Representative) be liable to the Licensee or any other person, including but not limited to Authorised Users, for any special, exemplary, incidental or consequential damages of any character arising out of the inability to use, or the use of, the Licensed Materials. Irrespective of the cause or form of action, the Publisher's aggregate liability for any claims, losses, or damages arising out of any breach of this Licence shall in no circumstances exceed the Fee paid by Licensee to the Publisher under this Licence in respect of the Subscription Period during which such claim, loss of damage occurred. The foregoing limitation of liability and exclusion of certain damages shall apply regardless of the success or effectiveness of other remedies. Regardless of the cause or form of action, the Licensee may bring no action arising from this Licence more than six (6) months after the cause of action arises.
- 7.7 The Publisher shall for the duration of the Subscription Period provide as part of the Online Services a website for the duration of the Subscription Period, currently located at <http://www.tandfonline.com/action/institutionUsageReport> for Licensee to run usage reports on a periodic basis.

8. LICENSEE'S UNDERTAKINGS

- 8.1 The Licensee is hereby appropriately notified of the importance of respecting the intellectual property rights in the Licensed Materials and undertakes to;
- 8.1.1 use reasonable endeavours to notify Authorised Users of the terms and conditions of this Licence and take steps to protect the Licensed Materials from unauthorised use or other breach of this Licence;

 - 8.1.3 issue passwords and/or other access information only to Authorised Users and use all reasonable endeavours to ensure that Authorised Users do not divulge their passwords or other access information to any third party;
 - 8.1.4 provide the Publisher, within 30 days of the date of this Agreement, with the information sufficient to enable the Publisher to provide access to the Licensed Material in accordance with its obligation under clause 7.2.2. Should the Licensee make any significant change to such information, it will notify the Publisher not less than 10 (10) days before the change takes effect:
 - 8.1.5 keep full and up-to-date records of all Authorised users and their access details and provide the publisher with details of such additions, deletions or other alterations to such records as are necessary to enable the Publisher to provide Authorised Users with access to the Licensed materials as contemplated by this Licence;
 - 8.1.6 use reasonable endeavours to ensure that only Authorised Users are permitted access to the Licensed Materials.
 - 8.1.7 provide complete information on its print holdings and demographic information required by the Licensor for pricing purposes (only if applicable) at the time of signing this Agreement, and promptly provide any updates to such information.
- 8.2 For the avoidance of doubt, in addition to the Fee, the Licensee shall be solely liable for any sales, use, value-added or similar taxes.

9. UNDERTAKINGS BY BOTH PARTIES

- 9.1 Each party shall use its best endeavours to safeguard the intellectual property, confidential information and proprietary rights of the other party.
- 9.2 Licensor and Licensee agree to maintain the confidentiality of any data relating to the usage of the Licensed Materials by the Licensee and its Authorised Users. Such data may be used solely for purposes directly related

to the Licensed Materials and may only be provided to third parties in aggregate form. Raw usage data, including but not limited to information relating to the identity of specific users and/or uses, shall not be provided to any third parties.

10. INSTITUTIONAL REPOSITORIES

10.1 Publisher hereby acknowledges that Licensee may from time to time wish to post in an Institutional Repository the revised text version of an author's 'postprint' of the article (i.e. the article in the form accepted for publication in a Publisher journal following the process of peer review). Publisher hereby grants Licensee permission to do this during the term of this Agreement, provided that:

- (a) Licensee or any other person may not make the article available for commercial sale or for any systematic external distribution by a third party (for example a listserv or database connected to a public access server); and
- (b) the final Publisher PDF version of the article is not used; and
- (c) an embargo of 12 months is applied after first publication (be it in online or print) of the article in STM (science, technology and medicine) subjects and the behavioural sciences, and of 18 months after first publication for SSH (social science, arts and humanities) journal articles; and
- (d) any amendments or deletions or warnings relating to the article issued or published by the Publisher are included; and
- (e) Licensee has where necessary also obtained the prior consent of any author or person holding a copyright interest in the article Licensee wishes to include in such Institutional Repository; and
- (f) the following acknowledgement is included:

http://www.tandfonline.com/openurl?genre=article&issn=[paper issn]&volume=[volume number] &issue=[issue number]&spage=[starting page of article].

10.2 Licensee acknowledges that the provisions of Clause 10.1 relate solely to articles in journals published by the Publisher and are without prejudice to any rights granted or retained by an author and/or the Publisher in any author or contributor agreement between these parties (an "Author Agreement") and that in the event of conflict or dispute between this Agreement and any Author Agreement, the provisions of any such Author Agreement shall take precedence.

11. MERGING INSTITUTIONS

- 11.1 Licensee must give Publisher reasonable advance notice of any planned merger or consolidation between Licensee and any other institution. Such notification must include details of all current Publisher subscriptions held by either Licensee or the merging institution. Licensee acknowledges that in such situations;
- (a) this Agreement will remain in full force and effect; and
 - (b) that Publisher shall be entitled to offer to Licensee a revised Fee based on, amongst other things, the enlarged size and nature of the Licensee's institution following the merger ("**Extension Fee**"); and
 - (c) unless and until Licensee pays to Publisher the Extension Fee, Licensee acknowledges and agrees (and Licensee shall ensure as a principal obligation) that none of the employees, students, contractors or other personnel of the relevant third party institution with which Licensee plans to merge shall have access to or use the Materials or shall be deemed to be Authorised User(s) under this Agreement.
- 11.2 For the avoidance of doubt, without prejudice to any other right or remedy available to us, Licensee acknowledges and agrees that any breach of clause 11.1 shall be deemed to be a material breach of Licensee's obligations under this Agreement capable of termination by Publisher. Further, Licensee shall indemnify Publisher and keep Publisher fully indemnified against any claims, losses, damages, costs, expenses (including reasonable legal expenses) or other liability incurred by Publisher in respect of any breach of clause 11.1.

12. **TERM AND TERMINATION**

- 12.1 In addition to automatic termination (unless renewed) under clause 2.2, this Licence shall be terminated:
- 12.1.1 if the Publisher commits a material or persistent breach of any term of this Licence and fails to remedy the breach (if capable of remedy) within sixty (60) days of notification in writing by the Licensee;
 - 12.1.2 if the Licensee commits a wilful and/or persistent breach of any term of this Licence, including but not limited to a breach of the Publisher's copyright or other intellectual property rights or of the provisions of clause 3 in respect of usage rights or of clause 6 in respect of prohibited uses;
 - 12.1.3 if either party becomes insolvent or becomes subject to receivership, liquidation or similar external administration.
- 12.2 On termination or expiry of this Licence pursuant to clause 2.2, 12.1.1 or 12.1.3, all rights and obligations of the parties automatically terminate except for obligations in respect of Licensed Materials to which access continues to be permitted as provided in clause 7.4.

- 12.3 On termination of this License by Publisher for cause, as specified in clauses 12.1.2 and 12.1.3, the Licensee shall immediately cease to distribute, or make available, the Licensed Materials to Authorised Users and shall return to the Publisher or destroy all Licensed materials locally mounted pursuant to clause 3.1.1 and 3.1.2.
- 12.4 On termination of this License by the Licensee for cause, as specified in clause 12.1.1 above, the Publisher shall forthwith refund the proportion of the Fee that represents the paid but un-expired part of the Subscription Period.

13. OTHER TERMS AND CONDITIONS

- 13.1 In addition to the terms contained in this Licence, if and to the extent that the Licensee or their Authorised Users access the Licensed Materials via the Online Services, Licensee acknowledges that use of the Licensed Materials shall also be subject to the Online Service Terms and Conditions of Use (the "OnlineTerms"). The Online Terms can be viewed at <http://www.tandfonline.com/page/terms-and-conditions> and that by accessing and using the Licensed Materials, Licensee acknowledges that they will be accepting and agreeing to be bound by them. In the event of conflict of the terms of this Licence and the provisions of the Online Terms, the terms of this Licence shall take precedence.

14. GENERAL

- 14.1 With the exception of the Informa Terms or any other relevant terms and conditions referred to therein, this Licence constitutes the entire agreement of the parties and supersedes all prior communications, understandings and agreements relating to the subject matter of this Licence, whether oral or written.
- 14.2 Alterations to this License are only valid if they are agreed to in writing in advance by both parties. In addition, the relevant version of this Licence will be that currently in force and available at www.tandf.co.uk/journals/pdf/terms.pdf on the date that any subscription or renewal is requested by Licensee.
- 14.3 This Licence may not be assigned by the Licensee to any other person or organisation, nor may either party sub-contract any of its obligations, except as provided in this License in respect of the Agent and the management and operation of the Server, without the prior written consent of the other party, whose consent shall not unreasonably be withheld. Licensor shall be entitled to assign, sublicense, subcontract or otherwise dispose of its rights and obligations under this Licence to any other person or company.
- 14.4 Any notices to be served on either of the parties by the other shall be sent by prepaid recorded delivery or registered post to the address of the addressee as set out in this License or to such other address as notified by either party to the other as its address for service of notices. All such notices shall be deemed to have been received within 14 days of posting.

- 14.5 Neither party's delay or failure to perform any provision of this License, as result of circumstances beyond its control (including, without limitation, war, strikes, floods, governmental restrictions, power, telecommunications or Internet failures, or damage to or destruction of any network facilities) shall be deemed to be, or to give rise to, a breach of this License.
- 14.6 The invalidity or un-enforceability of any provision of this License shall not affect the continuation or enforceability of the remainder of this License.
- 14.7 Either party's waiver, or failure to require performance by the other, of any provision of this License will not affect its full right to require such performance at any subsequent time, or be taken or held to be a waiver of the provision itself.
- 14.8 Clauses 9.1 and 9.2 shall survive the termination of this Licence.
- 14.9 This License shall be governed by and construed in accordance with English law; the parties irrevocably agree that any dispute arising out of, or in connection with, this License will be subject to, and within, the jurisdiction of the courts of England.

END OF LICENSE

IN WITNESS WHEREOF, the parties have executed this Agreement by their respective, duly authorized representatives as of the date first above written.
